### JACK SULLIVAN

I was born and raised in Chicago, IL. My initial education was in Engineering (Notre Dame) and Business (University of Chicago). I spent a career in the Air Force as a Navigator/Electronic Warfare Officer (including a year flying combat missions in South East Asia), a Technical Intelligence Officer, an Electronic Warfare Engineer and a Photographic Engineer. Upon retiring from the Air Force in 1979 I returned to school and earned Bachelor's Degrees in

### MOZART DANE

Mozart was purchased at the Ohio Amish Dog Auction but was discarded soon after at a county dog pound. As a "product" of a Mennonite dog breeder, Mozart was terrified and didn't know what to expect of humans and life outside a cage--he had been raised as livestock rather than pet. Harlequin Haven Great Dane Rescue came to Mozart's rescue by offering him a safe and healthy environment with lots of love.

Mozart began painting with his paws less than 2 years ago, and his work continues to mature. His art work raises much-needed funds for HHGDR and helps bring attention to the plight of those dogs
